

Monthly Newsletter – April 2022

The Staff at PTBL would like to start this month's newsletter with a BIG thank you to our amazing team at PTBL who have gone above and beyond and continue to give and help our community during the recent flooding.

To those who have provided supports even when not rostered, to those who offered assistance and stepped up for supports when required and to those who were out ferrying and accommodating those who were left homeless.

We are so lucky to have such an amazing team!

You are all so awesome.

THANK YOU THANK YOU THANK YOU!

We recognize you!

The amazing Support Team at PTBL.

You are what makes PTBL special – going those extra miles to provide supports to

PTBL would like to recognise each member of our amazing Support Team. This month we would love to introduce Lionel to everyone and say Thank You for all your support and hard work.

Lionel, although new to the role of support work is “always looking forward to being a part of the lives of people who would like friendly assistance in pursuing the lifestyle goals they have chosen.”

He has a Certificate III in Individual Disability Support and is seeking new goals where he can be inspired and inspire others who would love to have him as a part of their support team. After all, “You’re never too old to learn”

When Lionel isn’t working he is enjoying the water - kayaking, fishing, snorkelling, swimming and is wanting one day to learn how to sail.

He also loves to read, play guitar, and doesn’t mind a good B.B.Q.

If you would like to find out more about Lionel, please head over to our website to read his BIO or contact our office at 1300 702 845.
