# HALLOWEEN SPECIAL

## Fun Halloween Games

### Snap Apple / Donut

Hang an apple/donut for each player playing from a string and hang it from a height where each player can reach them. Set a timer for 2 minutes. Each player then begins to try and take bites out of the apple/donut with their hands behind their backs. The person with the most bites wins.

### Mummy wrap

Gather a pile of paper towels or old newspapers and divide all players into even teams and pick a designated mummy. Start a timer for 5 minutes. All other team members must race to “dress the mummy” using paper towel/newspaper. The team with the most wrapped mummy wins.

### Treasure hunt in the dark

Gather wrapped candy eyeballs, fake spiders and other spooky objects. Hide the spooky objects in the garden/around the house. Give each player/team a torch and let the hunt begin. The player/Team with the most spooky items wins.
